INCUBATOR

The IITACB incubator - a catalyst to a vibrant tech startup ecosystem in Bharat

Investor Value Proposition: An unique opportunity for angel investors seeking access to the yet undiscovered gems from the 23 IITs entrepreneurial ecosystem.

IIT Alumni Centre Bengaluru (IITACB)

IITACB was established to create a like minded community that promotes mutually beneficial collaboration among its members – Alumni, Faculty and Students connected with IITs. The shared commitment in the Quest for Excellence and the betterment of society are the broad objectives, as also reflecting the spirit of the IITs. It has a distinct campus in Bengaluru with 93K sft built up area, a 310 seater auditorium, conference rooms (125 / 40 / 24 seaters), Board Room, Exhibition halls and multiple seminar areas and meeting rooms, available for IITs, Institutional members and life members. We conduct workshops, regular webinars and other programmes at this facility and have an informal lounge that our members can use.

IIT Community

The campus is an important landmark for IITACB and the IIT community in Bengaluru. We now have a platform and location from where we can plan programmes, collaboration with IITs and industry and provide a common meeting and networking location for IITians. All the 23 IITs have their Extension Offices in the building.

IITACB Incubator

Located inside IITACB premises and the heart of Bengaluru's high-tech corridor, the incubator is designed to accelerate early-stage ventures with a focus on tech innovation and scalable growth. It offers a vibrant eco-system to early stage startups.

Investor Connect initiative towards Viksit Bharat

It is an initiative of IITACB Incubator for startups, mentors and early investors to come together on a common platform. This offers a unique opportunity for investors to engage with India's most promising deep tech startups for Viksit Bharat.

Why IITACB Incubator is Uniquely Positioned

The IITACB Incubator stands apart due to its strategic advantages and deep-rooted ecosystem, as it fosters a vibrant startup ecosystem.:

Ideal Location Bengaluru –Silicon Valley of India

- Largest Start-Up Hub in India
- ~40 unicorn status start-ups
- > 400 GCC / Global R&D Centre

Mentor Network

- A large community of IIT Alumni in tech companies
- Active Alumni associations of many IITs in Bengaluru

Ecosystem

- Large base of investors – around 400 VC firms, besides angel investors
- Very high-quality educational institutes (e.g., IISc, IIM, IIA, RRI, etc.)
- Legal firms, with IP attorneys, specialising in start-up ventures
- Testing Labs for R&D / DeepTech startups

IITACB Infrastructure

- Plug and Play facilities (e.g., 100mbps, integrated meeting rooms for client calls, etc)
- Ability to scale up as per startups' requirements
- 2,500 companies around IITACB in 4.5 sq km (e.g. Infosys, Biocon, WIPRO, etc)

HARNESSING THE IIT ECOSYSTEM

The IITACB incubator is deeply integrated with the 23 IITs and their alumni, offering unparalleled access to:

- Cutting-Edge Research
- High-Quality Datasets
- Tech Leadership
- Academic-Industry Synergy

KEY BENEFITS FOR INVESTORS

All the above features of IITACB Incubator present a compelling opportunity for angel investors seeking early access to high-growth startups. These include:
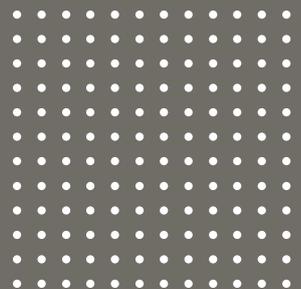

- Early Access to High-Potential Startups
- Demo Day Exposure
- Long-Term Upside: This presents a compelling opportunity for angel investors seeking early access to high-growth startups. The incubator fosters a vibrant startup ecosystem.

Startup Landscape at the IITACB Incubator:

The incubator fosters a vibrant startup ecosystem and is mentoring the ventures at the forefront of deep tech innovation.

Overview of Phase-1 of IITACB Incubator Investor Connect Initiative:

- **Total Startups Analysed: 41**

- **Deep Tech Startups: 17 (41%)**

- *Sectoral Distribution:*
  - *Healthcare & MedTech: 6 startups*
  - *AI & Deep Tech: 10+ startups*
  - *CleanTech & Sustainability: 6 startups*
  - *AgriTech & FoodTech: 7 startups*
  - *LegalTech, EdTech, Tourism, and Manufacturing: 1–2 startups each*

Current Cohort: Mentorship Programme at IITACB

The following startups are currently undergoing an intensive mentorship programme at the IITACB Incubator. Each startup is paired with one or more domain experts from the IIT ecosystem and industry veterans, receiving deep technical and business guidance. The programme culminates in a Demo Day, where these ventures will pitch to a curated panel of investors. This presents a compelling opportunity for angel investors seeking early access to high-growth startups. These ventures are at the forefront of deep tech innovation.
